## about us ...

DKH is a well-established and successful business enterprise with a strong presence in the Middle East, particularly in Iran, Iraq, and Turkey. The company specializes in the production of PVC doors and panels for various applications, such as rooms, bathrooms, toilets, cabinets, and partitions. In addition to its core PVC products, DKH is also involved in the production of related materials, such as composite doors, XPS (extruded polystyrene), and MDF (medium-density fiberboard) doors. This diversification enables the company to meet the needs of a wide range of customers and industries. DKH's reputation as a reliable and high-quality manufacturer is further demonstrated by its presence in multiple countries and its ability to maintain successful business relationships with suppliers and customers. Overall, DKH appears to be a reputable and thriving enterprise in the PVC door and panel industry.
